**ORDER ADOPTING THE MAGISTRATE JUDGE'S
REPORT AND RECOMMENDATION**

The court referred a petition alleging violations of supervised release conditions to the Honorable Christine L. Stetson, United States Magistrate Judge, at Beaumont, Texas, for consideration pursuant to applicable laws and orders of this court. The court received and considered the Report of the United States Magistrate Judge filed pursuant to such order, along with the record, pleadings and all available evidence.

At the close of the revocation hearing, U.S. Magistrate Judge Christine L. Stetson recommended:

1. finding the Defendant violated the third allegation in the petition that she failed to follow a mandatory condition of release;
2. revoking the Defendant's supervised release pursuant to 18 U.S.C. § 3583; and
3. sentencing the Defendant to a term of 7 months' imprisonment, to be served at the Federal Correctional Institution in Bryan, Texas, if the Bureau of Prisons can accommodate such request, with one year of supervised release to follow.
4. The court adopts the magistrate judge's recommended findings for the imposition of the same standard, mandatory, and special conditions of supervised release previously imposed when the Defendant was originally sentenced. In addition, the court will impose an additional special condition: the Defendant shall participate in a program of testing and treatment for substance abuse and follow the rules and regulations of that program until discharged. The probation officer, in consultation with the treatment provider, will supervise the Defendant's participation in the program. The Defendant must pay any

costs associated with treatment and testing. The imposition of this condition will assist the Defendant with transitioning back into the community and offer necessary assistance and accountability with supervised release.

At the close of the revocation hearing, the Defendant, defense counsel and counsel for the Government each signed a standard form waiving their right to object to the proposed findings and recommendations contained in the magistrate judge's report, consenting to revocation of supervised release and imposition of the sentence recommended. The Defendant also waived his right to be present with counsel and to speak at sentencing before the court imposes the recommended sentence.

Accordingly, the findings of fact and conclusions of law of the magistrate judge are correct and the report of the magistrate judge is **ADOPTED**. It is therefore

ORDERED and **ADJUDGED** that the petition is **GRANTED** and Jamisha Lashun Myers's supervised release is **REVOKED**.

Judgment and commitment will be entered separately, in accordance with the magistrate judge's recommendations.
